

The Company Car (TCC) clients have access to our diverse fleet of vehicles, all conveniently bookable online. To join, organizations pay a refundable security deposit for the group and a non-refundable registration fee for each driver. Costs depend on the number of drivers enrolling, as outlined below.

Perks

Block Booking

Block bookings are available Monday through Friday, from 6 a.m. to 6 p.m., giving your company booking priority. With block bookings, the vehicle's schedule will be reserved for your drivers until the start of that day (midnight). On that day, other Car Co-op drivers will be able to book the vehicle during the times that aren't already reserved by your drivers. Block booking is available for an additional \$3 per day.

TransLink Employer Pass Program

Your employees (including non-drivers) are eligible for an annual 12-month transit pass discount of 15% through us and TransLink's Employer Pass Program (EPP). We'll administer the program for you – even if only one of your employees wants to sign up!

Simply fill in the [TransLink Employer Pass Program](#) form available on our website. EPP subscribers pay an initial, one-time, non-refundable fee of \$15 to TransLink and a \$20 program registration fee to TCC. See our [Easy Rates Sample Invoice](#) for details.

Price List – Company Client

Cancellations and No Shows

There's no charge for cancelling a booking a) within five minutes of making it (either online or on the phone) or b) more than 12 hours before the booking starts. Otherwise, cancellations with less than 12 hours' notice are charged at 50% of the original time charge. Cancellations without any advance notice – once the booking starts – are charged at 100% of the original time charge. Keep in mind that a portion of your cancellation charge may be waived if someone else books the car for the time you've freed up.

Cancelling is always cheaper than not showing up. No Shows* are charged at 200% of the original time charge (minimum \$12).

Lates

The charge for returning a Co-op vehicle late is \$25. As soon as you think you'll need the car longer than originally booked, call us to see if your time can be extended, or try doing it on the Bookit site.

Not fobbing out

Fobbing out at the end of your booking secures the vehicle by disabling its engine. This significantly decreases the chance of someone taking it by mistake or stealing it. Leaving a vehicle unsecured and not fobbing out at the end of your booking may incur a charge of \$35.
